SIR,

With reference to your letter No.255/Muz.34-23-4 dated 16th August 1923, I have the honour to state that the amounts actually realized on the several investments of the General Muzrai Fund during 19-20 to 1922-23 are as noted in the margin.

Please see overleaf.

The Receipt for 19-20 represents for only one half year the interest on 3½% security of the value of Rs.2,68,000 and 5½% security of the value of Rs.78,000 the other items being taken to the credit of the several institutions.

The receipt for during 1920-21 represents interest on the 3½% security worth only Rs.3,35,100 (and not Rs.3,40,817+500 three per-cent security as noted in the Government Order of 29th September 1919) and also the interest on Rs.78,000 for the half year ending 30th September 1920 from which date this amount as well as the cas endowment of Rs.81,600 has been transferred to 6¼% State Loan Bonds the interest of which from 1-10-1920 to 31-3-1923 aggregating to Rs.24,875-2-0 has been adjusted during 1922-23.

From the above it will be seen that the fund has received more than the expected income from 1920-21, the period from which the

Government Order sanctioning the investment has been given effect to in full.
